

Certificate

www.lets gocruising.com 410-263-1818 (to see the boats, areas and programs)

Try before you buy

Book a charter through Let's Go Cruising on any of the type boats that BYA sells or offers for placement in its Boat-As-A-Business program and if you proceed with a purchase within a year from the date of the start of the charter, BYA will credit you back with up to 3 days of charter on your settlement statement.

Only one certificate is valid for any boat purchase. In the event of multiple charters, you will be reimbursed for the days on the most expensive charter. If you take a LGC course, 3 days of the actual charter portion will be allocated. You will be reimbursed for a boat chartered, or the equivalent fee, similar in size to the boat you purchase.

You must present this certificate to LGC prior to the commencement of your charter, and present a copy of your charter agreement prior to entering into a purchase agreement with BYA in order to qualify.

This offer may be used in conjunction with any other offers offered by LGC or BYA. In the event of any interpretation of the terms of the offer, the decision of BYA shall be final. BYA may withdraw this offer at any time without notice, up until the time a charter occurs.

Eric Smith, President.
