

SUN ODYSSEY 509

Presentation Dossier – July 2011

JEANNEAU

SUN ODYSSEY 509

Key Points:

- **Flagship of the Sun Odyssey range:** Offshore cruiser, elegant and very comfortable.
- **Modern hull** designed by Philippe Briand, that combines a long waterline length and a hard chine for speed and comfort at sea.
- **Sleek deck lines**, safe and ergonomic with flush hatches and integrated running rigging.
- **Sail plan** with a high aspect ratio. Multiple choices including: self-tacking jib, large, overlapping genoa, Code 0, furling mast, etc...
- **Light and luxury down below** with solid wood, mat varnish, polished stainless steel, leather and a full selection of interior fabrics.
- **Lots of personalisation possible:** Different layout versions, sail plans, keels and fabrics makes each boat individual to each sailor.

JEANNEAU

SUN ODYSSEY 509

The flagship:

New flagship of the range. Inspired by the successes of the Sun Odyssey 409 and the Sun Odyssey 439, the Sun Odyssey 509 is a true work of art.

Philippe Briand designed a modern and performance-oriented hull with a hard chine along with elegant and timelessly beautiful deck styling

Inside, the impressive volume and light provides an open and airy feeling.

Attention to detail can be found throughout. Especially in the safety, function and look of each detail.

Hull and Keel: Modern and balanced

- **Philippe Briand design**
- **Deep keel** (2.28m) or shoal (1.73m)
- **Hard chine on hull** creates stability and enhances interior volume
- **Long water line** provides performance under sail and power
- **Moderate freeboard** lends a beautiful and sleek look to the hull along with the 10 hull ports and hard chine.

Sail and rig plans: Sails for every sailor

- **Several sail plans** including self-tacking, furling Overlapping headsails, Code 0, etc...
- **High aspect ration rig** for maximum performance while limiting the loads on the sheets.
- **Inboard shrouds and genoa tracks** allow better trim of the standard or performance sails and easy circulation on the side decks.
- **A below deck furler** in the Performance Plus has aesthetic value and an even higher aspect ratio rig.
- **Code 0** offered as an option for sailing in light wind conditions

JEANNEAU

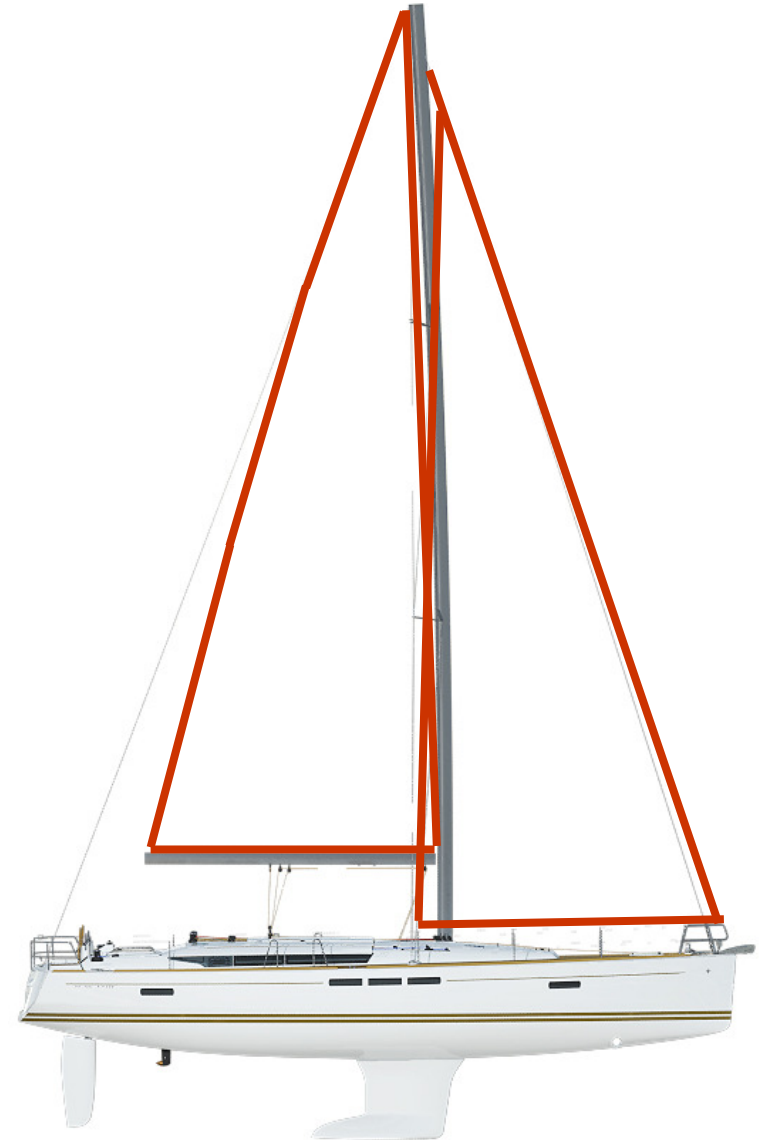

SUN ODYSSEY 509

Standard version

106% overlapping genoa and classic mainsail - both sails are supplied in Dacron sail cloth

Advantages:

- High-aspect rig for maximum performance
- Easy to handle sail plan
- Versatile and balanced sail plan at all sailing angles

JEANNEAU

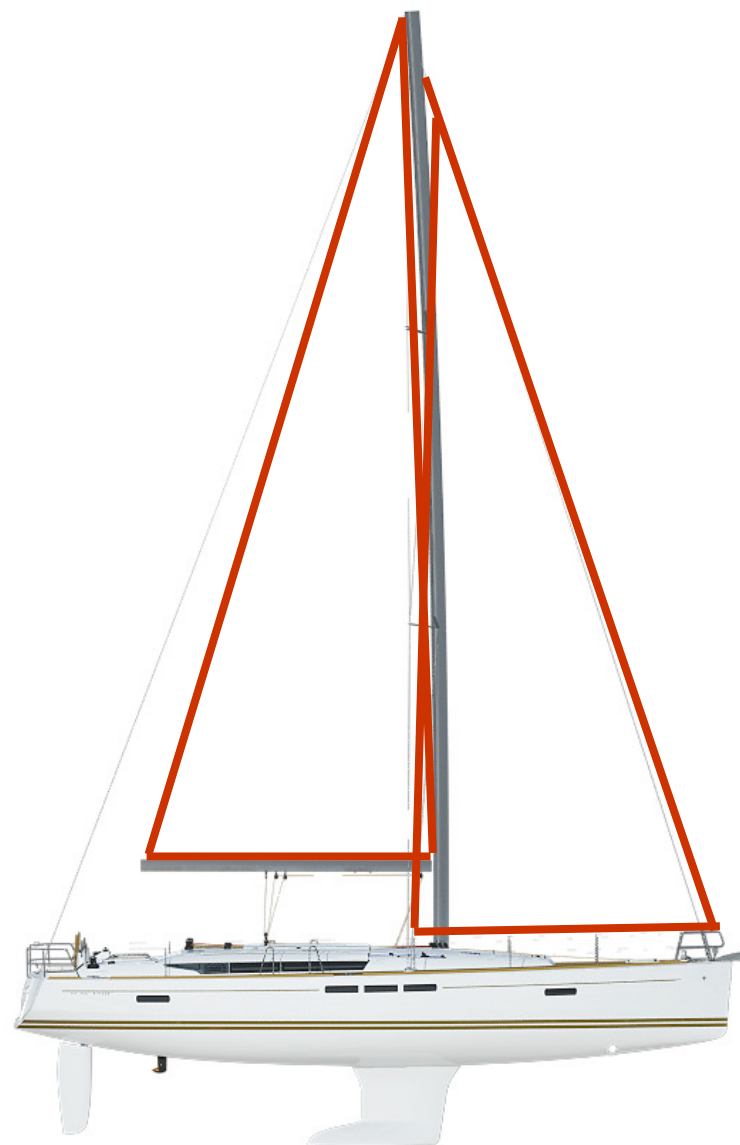

SUN ODYSSEY 509

Furling Mast option

106% overlapping genoa and in mast furling mainsail - Both sails are supplied in Dacron sail cloth

Advantages:

- Ease of handling
- Quick furling of the sail
- No hassle reefing

JEANNEAU

SUN ODYSSEY 509

Performance Self-tacking Package

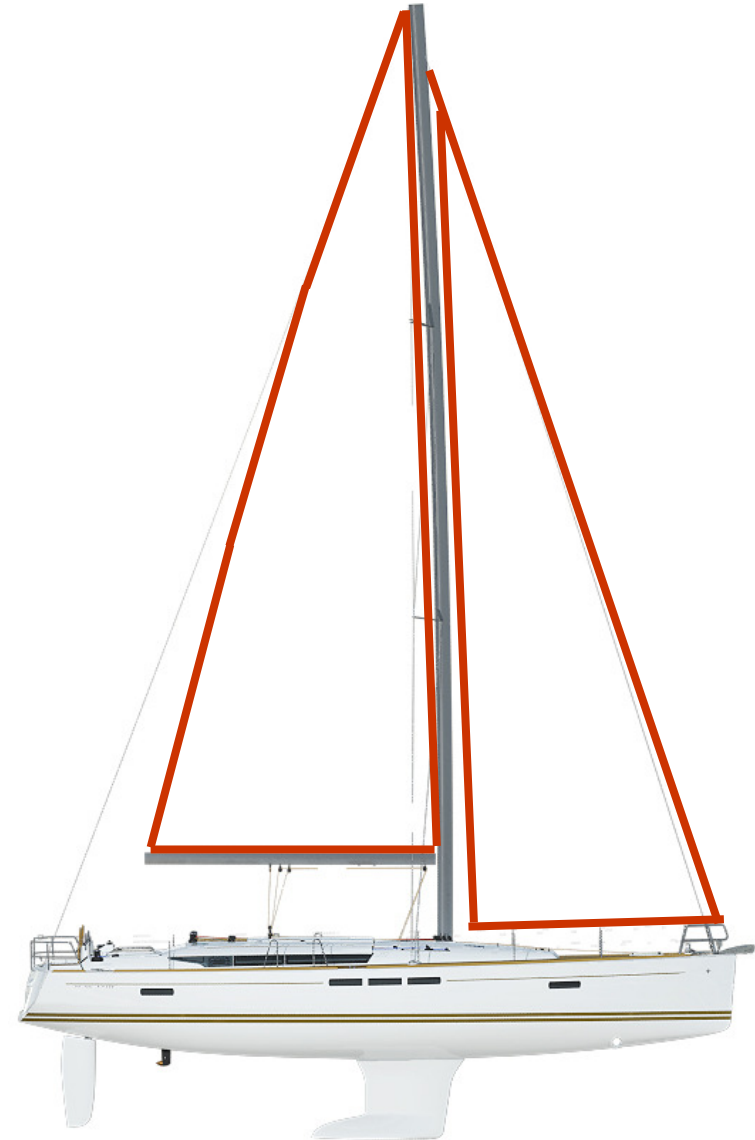

Self-tacking jib and in Performance mainsail - both sails are supplied in cross-cut, tri radial Mylar/taffeta sail cloth

Advantages:

- High-end sail cloth material means less stretch and better performance
- Hands-free tacking
- Great up-wind performance
- Perfect for short-handed sailing

Package also includes:

- Dyform standing rigging
- Dyneema running rigging
- Flex-o-Fold folding 3-blade propeller
- Self-tacking track in front of the mast

JEANNEAU

SUN ODYSSEY 509

Performance Plus Package

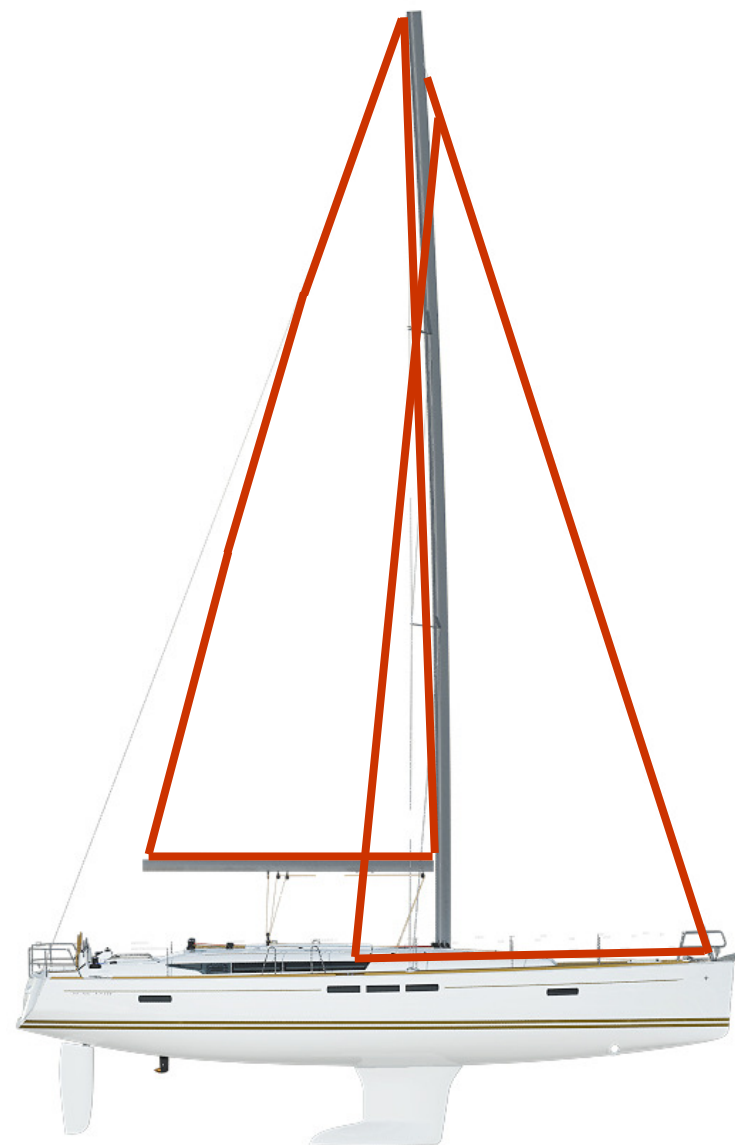

Performance 140% Genoa and Performance mainsail - both sails are supplied in cross-cut, tri radial Mylar/taffeta sail cloth

Advantages:

- High-end sail cloth material means less stretch and better performance
- Maximum sail area for the performance sailor
- Powerful sail plan in light winds
- Ideal for passage making

Package also includes:

- Dyform standing rigging
- Dyneema running rigging
- Flex-o-Fold folding 3-blade propeller
- Ball-bearing genoa sheeting cars adjustable from the cockpit

Deck and Cockpit: Liveability, comfort and safety:

- **Twin helm steering moved far aft**, keeps the cockpit clear and gives easy access to the transom
- **Harken deck hardware**: winches, blocks, tracks designed to make sail handling ease from the helm
- **Easy access to the sea** thanks to a wide drop-down aft platform.
- **Large cockpit table** with storage, lighting, icebox, place for instruments and the joystick of the optional 360 Docking system.
- **Flush hatches and integrated running rigging** gives the deck a sleek look and makes movements onboard safer.
- **Lots of storage**: 2 lateral lockers, 2 large lockers under the helm stations, 1 large locker for the optional generator. Forward sail locker and deep anchor locker.

Interior: Space, style and comfort

All the attributes of the Sun Odyssey range come together on this yacht:

- **Spacious interior** with choice of 4 layouts (from 3 to 5 cabins).
- **An exceptional layout in the saloon**, separate zones for living aboard plenty of functional details
- **Luxurious materials**, set off by all LED lighting
- **Numerous and practical storage lockers**, for offshore cruising with friends and family.
- **Light and ventilation**: 10 hull ports, long deckhouse windows, lots of opening ports and flush hatches.
- **Personalisation**: Choice of different fabrics, floorboards and a full list of options allow you to choose the combination that is right for you.
