

NEW
Sun odyssey 45 DS

Presentation file - April 2007

PRESENTATION

The world-class design team made up of Philippe Briand, Vittorio Garroni and Jeanneau Design are proud to present to you the new Sun Odyssey 45DS.

Conceived entirely with the top-of-the-line CATIA® design software, no detail has been left out.

Hull and interior design by Philippe Briand, the Sun Odyssey 45DS is based on a lengthened and modified version of the popular and powerful Sun Odyssey 45 hull outfitted with an all-new, contemporary interior design.

From offshore passages to restful anchorages, the Sun Odyssey 45DS provides style, performance and luxurious comfort.
