Preliminary Finance Application

Boat-As-A-Business, Join us! It's as easy as 1,2,3.

1. Choose your boat. Monohull or catamaran, power or sail. However you must make your purchase through us! We make money by selling boats! Our services and support are included. We'll offer suggested packages and then customize your boat further to completely meet your requirements.
2. Then, we'll talk over your plans for the future. Where do you want to keep your boat? How will you use it? What is your long range plan?
3. Provide us with a simple financial application and the name of your new business (below).

We'll do the rest. Arrange financing, set up your boat, set up your business.
